If your business is classified as a not for profit or nonprofit business, you will need to submit a copy of any paperwork received from the IRS or the State for review. This documentation is required for the Business License Office to determine if your business and event participants may be exempt from the requirements of the Business License Ordinance.

A participant list must be completed for each event. A participant is considered to be a person or business that provides a service, including, but not limited to, vendors (both retail and food), production companies that will set up the stage, the company hired to put in fencing, portable toilets, bands, DJs, etc. All W-2 employee(s) of the participants are covered under the participant fee. If any participant has a 1099 (contracted labor) employee(s), then each 1099 employee is considered to be a separate participant and the \$10.00 participant fee would apply for each. Any participant that holds a current City of Myrtle Beach Business License would be exempt from the \$10.00 participant fee.

### What is the difference between a W-2 employee and a 1099 contract employee?

A W-2 employee receives a payroll check in which payroll taxes are deducted from the employee's paycheck and then paid to the appropriate governmental agency by the employer.

A 1099 contract employee receives a check in which no payroll taxes have been deducted. The contract employee is responsible to pay the appropriate payroll taxes to the appropriate governmental agency on their own.

Employers use Form W-2 *Wage and Tax Statement*, to:

- Report wages, tips, and other compensation paid to an employee.
- Report the employee's income and Social Security taxes withheld and other information.
- Report wage and withholding information to the employee and the Social Security Administration. The Social Security Administration shares the information with the Internal Revenue Service.

Payers use Form 1099-MISC *Miscellaneous Income*, to:

- Report payments made in the course of a trade or business to a person who is not an employee or to an unincorporated business.
- Report payments of \$10 or more in gross royalties or \$600 or more in rents or compensation. Report payment information to the IRS and the person or business that received the payment.

The promoter is required to provide a synopsis of the event. For example: you will need to provide the date and time that the set up will begin and a detailed outline and timeline of the event.

If it is determined that you are required to obtain a business license, you will need to complete the business license application form with the Business License Office. You may contact our office at (843) 918-1200, or you can obtain the business license application from our website at [www.cityofmyrtlebeach.com](http://www.cityofmyrtlebeach.com). The business license approval process may take 7 to 10 business days; therefore, you are advised to apply as soon as possible to avoid any delays. If there is additional information needed or an issue with your application; additional time may be required. Your participant list will need to accompany your business license application. The Business License Office will determine the amount that you will be required to remit for your participants. Payment of the participant fees are required at least 7 to 10 business days prior to your event.

The City of Myrtle Beach may issue wristbands that would be required to be worn by each participant, W-2 employee(s) and 1099 contracted employee(s) for the duration of the event. City Code Enforcement staff will be checking to make sure each participant in the event has the required wristband for the event and that it is secured correctly to their wrist. If you have any questions or need additional wristbands for this event, please contact the Business License Office at (843) 918-1200. Any participants that are found to be non-compliant will cause us to notify you and an additional fee may be imposed.

Any participant selling prepared foods, beverages (beer, wine or liquor) or charging admissions, will be required to collect and remit the City of Myrtle Beach 1% Hospitality Fee. Prior to the event, any business not physically located inside the city limits of Myrtle Beach is required to complete a Hospitality Fee application and pay a \$200 filing fee. At the conclusion of the event, the Hospitality Fee reporting form must be filed and the \$200 filing fee will be applied. If a balance remains, the balance must be remitted with the Hospitality Fee reporting form. If an overage remains, a refund will be processed and mailed to the participant. The participant needs to contact the South Carolina Department of Revenue at (843) 839-2960 and the Horry County Treasurers Office at (843) 915-5620 to find out their regulations and tax requirements. If there will be on-site consumption of beer, wine and/or liquor, you will need to contact the South Carolina Department of Revenue to apply for the appropriate ABL permits and you will need to provide a copy of the permits to the Business License Office.

If your event is exempt from SC taxes, your event may also be exempt from Myrtle Beach Hospitality Fees. You must provide proof of your South Carolina exemption. If you have any questions, please call the Finance Department at (843) 918-1200.
