Dear Ms. Adkins:

Please accept my attached resume for consideration to the Myrtle Beach Convention Center Hotel Corporation Board.

After many years of being a part time resident of the city, we have retired here permanently and I have been a resident of the Dunes Club for the past two years. I have the time and desire to devote to becoming a productive member of the board.

Thank you for your consideration.

Sincerely,

Patrick Wilson

- 40 Years' Experience in the Hotel & Restaurant Industry
- Computer Literate in MS Word and Excel
- Excellent written & communication Skills
- Ability to create, manage and present budgets
- Capacity to Understand P&L's and Research/Discover Opportunities

My experience started in the hotel industry. I worked for several large chain organizations, (Holiday Inn, Sheraton, & Omni) and several larger independent properties that took their food service operations seriously. All of them demanded a timely and consistent system for accurately reporting results. I worked tirelessly with franchise owners and their operators, as well as corporate and independent owners.

I moved on to corporate restaurants serving as General Manager and Regional Director of Operations. I learned a lot about consistency, communication and setting and reaching desired goals.

I am originally from Virginia and my career was centered in the mid-Atlantic markets.
