3 **ENDING JUNE 30, 2021, AND A CAPITAL IMPROVEMENTS PROGRAM FOR**
4 **FISCAL YEARS 2021-2025.**

5 **Applicant/Purpose:** Staff/ to meet the State requirement for a balanced budget for FY20-21.
6

7 **Brief:**

- 8 • State law requires each unit of local government to approve a budget for the fiscal
9 year detailing the community’s operational and financial goals for the year.
- 10 • Normally this document includes several proposals to change fee or rates, and several
11 recommendations for service level modifications.
- 12 • Due to the uncertainty regarding the recovery of the local economy, the proposal
13 includes very little in the way of new service level requests and/or fee increases.
- 14 • The highlights of this budget proposal are:
 - 15 ○ No proposed property tax increases. Property taxes remain at 78.9 cents /\$100
16 of assessed valuation (\$.729 for operations & .06 for debt service).
 - 17 ○ No fee increases of any existing fee are included in this budget proposal.
 - 18 ○ The only service level increase is the addition of 10 police officers funded by a
19 Department of Justice COPS grant (which cannot be used for other purposes).
 - 20 ○ This budget reflects proposed amendments to the Solid Waste Ordinance to
21 define standard levels of service. The fees associated with this amendment
22 will be included in the budget ordinance, and are intended to better align costs
23 of services beyond the standard with the beneficiaries of those services.
 - 24 ○ No lay-offs of fulltime employees are included in this proposal. In order to
25 accomplish this however, all planned pay increases are suspended in this
26 proposal. In addition, the annual Holiday Bonus (equivalent to one week’s
27 worth of pay for most employees), is suspended as well. This amounts to a
28 1.9% pay decrease for most employees.

29
30 **Issues:**

- 31 • This budget allows all City services to resume at the level that they are currently
32 provided. No service expansions are funded.
- 33 • This proposal reflects the realities of the Covid-19 pandemic and uncertainties about
34 the economic recovery. Because of these uncertainties, this budget must be regarded
35 as a flexible document. Staff will review the budget throughout the year to see if
36 services can be enhanced, or whether further cut-backs are necessary.

37
38 **Public Notification:**

- 39 • The budget was the subject of a called City Council workshop on June 4, 2020.
- 40 • Pursuant to State law, a public hearing has been set for June 23.
- 41 • Normal City Council meeting notice.

42
43 **Alternatives:** While there is no alternative to having a balanced budget, City Council is free to
44 make any changes to the City Manager’s recommendation as they see fit.

45
46 **Financial Impact:** The total budget proposal for FY 2020-21 is \$193,700,009, a 3.9% reduction
47 from the current revised budget.

48
49 **Manager’s Recommendation:** This budget is a plan to get through a year in which we expect
50 further economic damages resulting from the Covid-19 pandemic. In the long-run, however,
51 this budget is not sustainable. I recommend 1st reading.

A. Moneys from revenues and other financing sources are hereby estimated to be available to finance appropriations of the 2020-21 fiscal year in the manner and the amounts as set forth in Exhibit A, which is attached hereto and made a part hereof.

B. Exceptions for Certain Funds.

Provisions of Existing Statutes, Ordinances, Contracts and Covenants. Where existing statutes, ordinances, contracts and covenants govern the use of funds according to legislatively or contractually determined formulae, the estimates in this ordinance are illustrative rather than controlling and appropriations of those funds will be adjusted according to the applicable provisions of such statutes, ordinances, contracts and covenants.

Capital Project Appropriations. Appropriations in the General Capital Projects Fund shall not lapse at June 30, 2020, but each project appropriation shall remain in force

1 for the life of the project and shall be closed out upon completion or other disposition of
2 the project.

3
4 *Tax Levies and Appropriations Established by Other Ordinances.* Appropriations of
5 bond proceeds for capital expenditure or investment, bond issuance costs or for annual
6 installments of capitalized interest according to a predetermined schedule are
7 established in the Bond Ordinance providing for the issuance of any bonded debt
8 obligations. In the case of General Obligation Bonds, direction to levy taxes in amounts

25 Recording of Commitments of Amounts Appropriated from Fund Balance.**

- 26 A. Encumbrances in each fund at June 30, 2020, representing obligations made against
27 2019-20 appropriations outstanding as of that date, are hereby re-appropriated. The
28 appropriations shall be distributed to the 2020-21 budgetary accounts corresponding to
29 the referenced encumbrances and the expenditures will be charged to those accounts
30 during the 2020-21 budget year as such obligations are satisfied, provided however,
31 that such encumbrances, when taken together with 2019-20 expenditures, would not
32 have caused any fund to exceed its budgetary authorization for the year ended June
33 30, 2020.
34 B. For each fund in which a re-appropriation occurs under Sec. 4.A. above, the amount of
35 funds appropriated hereunder shall be established in the fund balance of that fund as

43 appropriated pursuant to the conditions of the respective grant agreements and the
44 fund balance of the respective funds shall show a corresponding amount "Restricted
45 for Grants."
46 E. A portion of the fund balance of the General Fund in the amount of \$500,000 is hereby

Any funds received during the fiscal year as a result of new grants awarded to the City and any increases in the appropriation of fund balances for grants from the City to outside agencies, or appropriations of fund balance for Capital Projects approved by motion or resolution of City Council, shall increase the original budget and shall not require a supplemental budget ordinance.

Sec. 7. Administration of the budget. The City Manager or his designee shall administer the budget and may authorize the transfer of appropriations within the allotments heretofore established as necessary to achieve the goals of the budget provided, however, that no such transfers shall be used to increase the total appropriation within any fund.
