Ms. Stanford (Jen), Mayor & City Council:

I am interested in serving on the Bicycle and Pedestrian Committee. As you know, I retired from the City of Myrtle Beach in June after 30 years of service. My first position with the City of Myrtle Beach was Lifeguard, my final position was Recreation Services Director. I am a life long lover of Myrtle Beach. In my retirement, I've rediscovered my love of bicycling. How fortunate we are to have the wonderful bike / multi purpose trails throughout Myrtle Beach. I have been able to see the entire city from Socastee to Grand Dunes without jeopardizing my safety by riding on these wonderful trails. I recently heard that there was an opening and I am very interested in serving on this committee and serving my new passion. I have attached my resume for consideration.

Thank you,

Pam Stone
