Hi Sharon,

I am willing to serve on the Board as long as I am able to. So that would be a "yes" for the next term.

Sorry I missed the meeting on 12th (bronchitis). Hope all went well.

King regards, Susan

Dear Ms. Stanford,

I am interested in serving the City of Myrtle Beach as a volunteer to one of the boards, commissions or committees. I am open to your suggestions as to where my background may best fit current opportunities.

My wife and I moved to Myrtle Beach in September of 2014. We continue to be impressed by the quality of the city government services and the professionals that deliver those services. Serving on a volunteer committee would not only be an honor but an obligation I would take seriously.

I have attached a brief biography for your review. My contact information follows. I look forward to speaking to you at your convenience.

Very truly yours;

Michael Johnston

Michael Johnston is formerly from Pittsburgh, Pennsylvania. Upon his retirement, he and his wife moved to Myrtle Beach in September 2014. He is a full time resident.

Mike graduated from Bethel Park High School and went on to earn a Bachelor of Science degree in Business Administration from the University of Pittsburgh. His business career centered on the lumber and building materials industries as a retailer, wholesaler and manufacturer. For 20 years he was employed at the former Tot'um Lumber and Supply Company. Starting as a part time laborer while in college he progressed through several operation and finance positions to become Vice President and Partner. Mike resumed his career, when that business was sold, at Babcock Lumber Company. There, Mike enjoyed a rewarding 19 year career with various sales, operations and finance responsibilities before retiring as President/COO.

Since arriving in Myrtle Beach Mike has been active in a number of community organizations as a volunteer. He recently received his five year anniversary pin at Brookgreen Gardens where he is a Membership Ambassador. Mike just completed his second year as a Reading Buddy at Myrtle Beach Elementary School. He volunteers through his church at the Community Kitchen, Inc. of Myrtle Beach and is a member of the church ushers team.

This year Mike completed the My Beach 101 program through the Neighborhood Services Department of the City of Myrtle Beach. The previous year he graduated from Class 35 of the Myrtle Beach Citizens Police Academy and continues to be active in the MBCPAAA.

In his spare time Mike enjoys golf and travel.
