Thank you very much for the phone call on 8/27/19 re: the current status of your volunteer committee projects for the City of Myrtle Beach.

Attached you will find my resume profile for your perusal. I am interested in volunteering for your employee Recognition Committee OR the Housing Authority Committee, but I would need to have more detailed information re: the goals, expectations of and responsibilities of the committees before committing my efforts and loyalty to the organization.

Thank you very much for your time and consideration and I look forward to hearing from you or someone on the committee for further information about your visions for the volunteer position.

Sincerely,  
Barbara Welch

As noted in your Friday Fax by Kacey Vrettos, there are still needs on your volunteer committees. I am interested in applying, but before doing so, I need to have more information re: the following. What are the goals of the committees, the meeting frequency and times, location of meetings, etc.?

Would you please inform me re: the tourism, employee recognition and housing authority committees? These are the committees that peak my interest.

I am a retired RN who recently moved into the Market Commons area. I attend the Crimewatcher's Meetings and am interested in doing some volunteering.

Your assistance in advising me of the above information would be greatly appreciated.

Thank you,
