If your business is classified as a not for profit or nonprofit business, you will need to submit a copy of any paperwork received from the IRS or the State for review. This documentation is required for the Business License Office to determine if your business and event participants may be exempt from the requirements of the Business License Ordinance.

A participant list must be completed for each event. A participant is considered to be a person or business that provides a service, including, but not limited to, vendors (both retail and food), production companies that will set up the stage, the company hired to put in fencing, portable toilets, bands, DJs, etc. All W-2 employee(s) of the participants are covered under the participant fee. If any participant has a 1099 (contracted labor) employee(s), then each 1099 employee is considered to be a separate participant and the \$10.00 participant fee would apply for each. Any participant that holds a current City of Myrtle Beach Business License would be exempt from the \$10.00 participant fee.

What is the difference between a W-2 employee and a 1099 contract employee?

A W-2 employee receives a payroll check in which payroll taxes are deducted from the employee's paycheck and then paid to the appropriate governmental agency by the employer.

A 1099 contract employee receives a check in which no payroll taxes have been deducted. The contract employee is responsible to pay the appropriate payroll taxes to the appropriate governmental agency on their own.

Employers use Form W-2 *Wage and Tax Statement*, to:

- Report wages, tips, and other compensation paid to an employee.
- Report the employee's income and Social Security taxes withheld and other information.
- Report wage and withholding information to the employee and the Social Security Administration. The Social Security Administration shares the information with the Internal Revenue Service.

Payers use Form 1099-MISC *Miscellaneous Income*, to:

- Report payments made in the course of a trade or business to a person who is not an employee or to an unincorporated business.
- Report payments of \$10 or more in gross royalties or \$600 or more in rents or compensation. Report payment information to the IRS and the person or business that received the payment.

The promoter is required to provide a synopsis of the event. For example: you will need to provide the date and time that the set up will begin and a detailed outline and timeline of the event.

If it is determined that you are required to obtain a business license, you will need to complete the business license application form with the Business License Office. You may contact our office at (843) 918-1200, or you can obtain the business license application from our website at www.cityofmyrtlebeach.com. The business license approval process may take 7 to 10 business days; therefore, you are advised to apply as soon as possible to avoid any delays. If there is additional information needed or an issue with your application; additional time may be required. Your participant list will need to accompany your business license application. The Business License Office will determine the amount that you will be required to remit for your participants. Payment of the participant fees are required at least 7 to 10 business days prior to your event.

The City of Myrtle Beach may issue wristbands that would be required to be worn by each participant, W-2 employee(s) and 1099 contracted employee(s) for the duration of the event. City Code Enforcement staff will be checking to make sure each participant in the event has the required wristband for the event and that it is secured correctly to their wrist. If you have any questions or need additional wristbands for this event, please contact the Business License Office at (843) 918-1200. Any participants that are found to be non-compliant will cause us to notify you and an additional fee may be imposed.

Any participant selling prepared foods, beverages (beer, wine or liquor) or charging admissions, will be required to collect and remit the City of Myrtle Beach 1% Hospitality Fee. Prior to the event, any business not physically located inside the city limits of Myrtle Beach is required to complete a Hospitality Fee application and pay a \$200 filing fee. At the conclusion of the event, the Hospitality Fee reporting form must be filed and the \$200 filing fee will be applied. If a balance remains, the balance must be remitted with the Hospitality Fee reporting form. If an overage remains, a refund will be processed and mailed to the participant. The participant needs to contact the South Carolina Department of Revenue at (843) 839-2960 and the Horry County Treasurers Office at (843) 915-5620 to find out their regulations and tax requirements. If there will be on-site consumption of beer, wine and/or liquor, you will need to contact the South Carolina Department of Revenue to apply for the appropriate ABL permits and you will need to provide a copy of the permits to the Business License Office.

If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 per-

cent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

A section 501(c)(7) organization is permitted to receive up to 35 percent of its gross receipts, including investment income, from sources outside of its membership without losing its tax-exempt status. Of the 35 percent, not more than 15 percent of the gross receipts may be derived from the use of the club's facilities or services by the general public. Income in excess of these limits may jeopardize your continued tax-exempt status.

Donors may not deduct contributions to you because you are not an organization described in section 170(c) of the Code. Under section 6113, any fundraising solicitation you make must include an express statement (in a conspicuous and easily recognizable format) that contributions or gifts to you are not deductible as charitable contributions for Federal income tax purposes. This provision does not apply, however, if your annual gross receipts are normally \$100,000 or less, or if your solicitations are made to no more than ten persons during a calendar year. The law provides penalties for failure to comply with this requirement, unless failure is due to reasonable cause.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status, you should keep it in your permanent records.

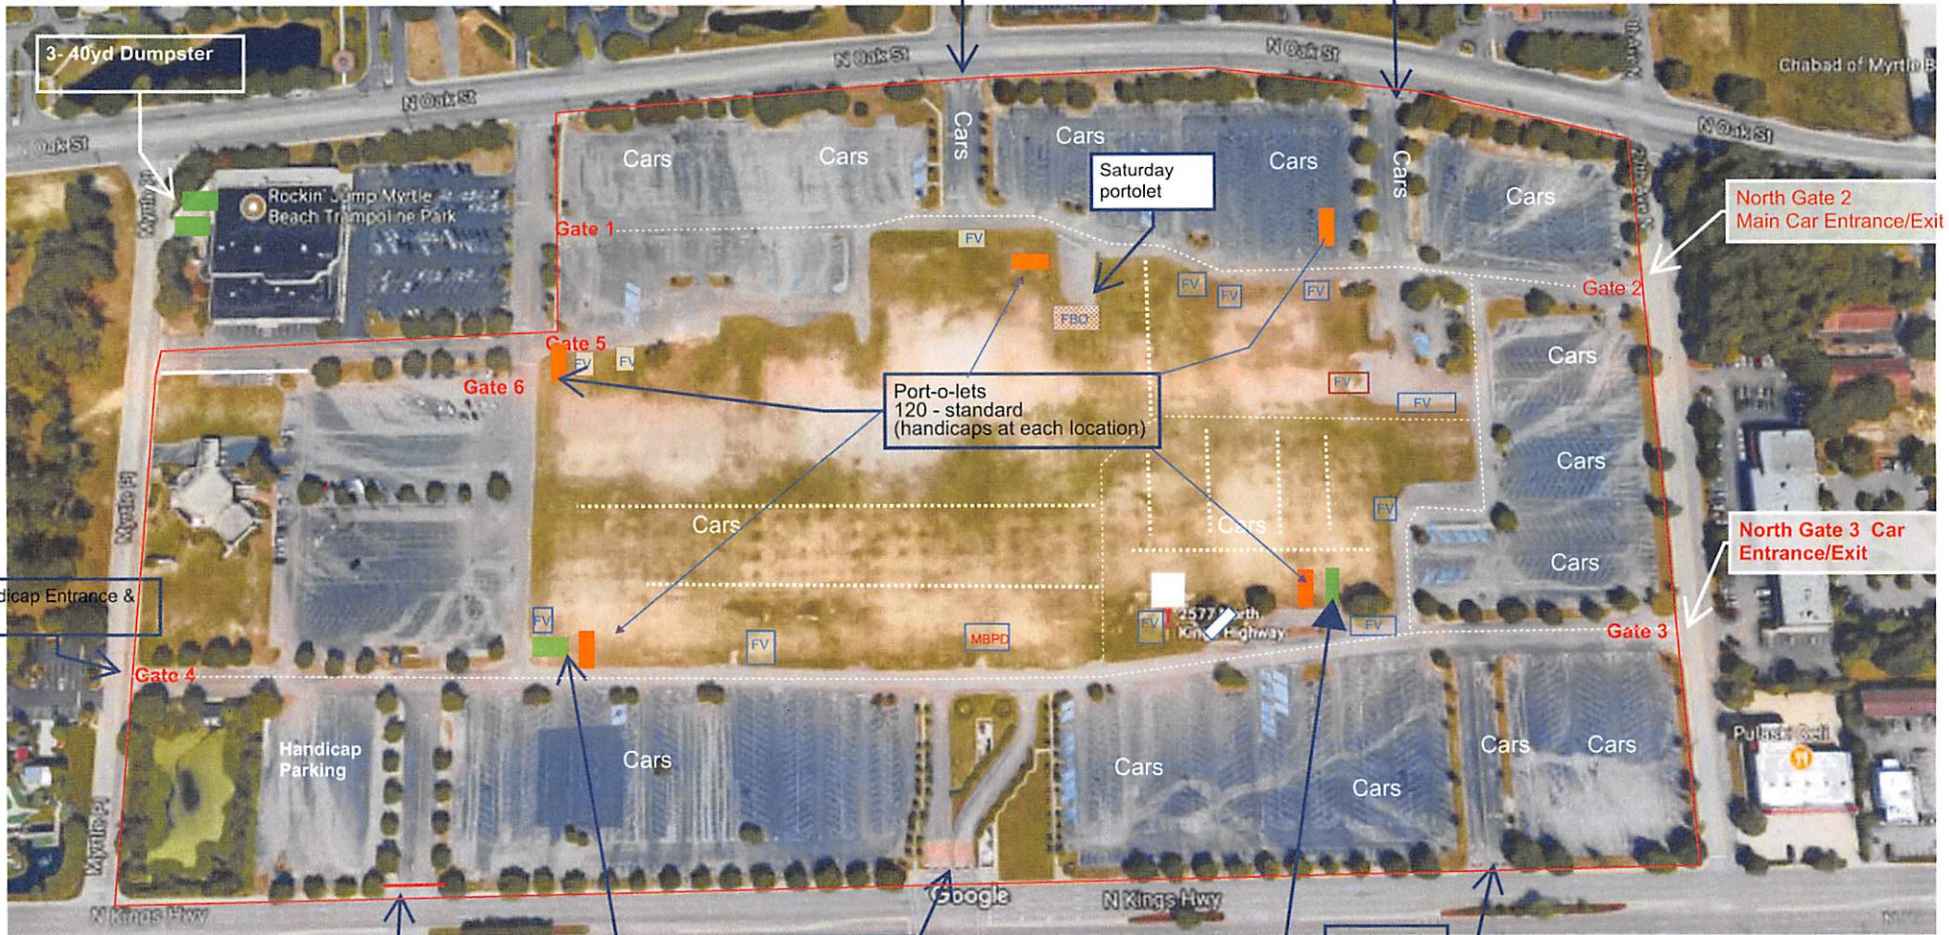

We have sent a copy of this letter to your representative as indicated in your power of attorney.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, and supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$10 per day for each day there is failure to comply (up to a maximum of \$5,000 in the case of an annual return). See Internal Revenue Service Notice 88-120, 1988-2 C.B. 454, for additional information.

The annual car show which is open to the general public does not jeopardize your exempt status as long as the income from non-member, in excess of expenses attributable to their participation and attendance, is turned over to charity.
