Dear Ms. Stanford:

It has come to my attention that there is a vacancy on the City's Planning Commission, a vacancy that I would like very much to fill if you think I am best qualified. I have attached my abbreviated resume but a few words about my background may be helpful.

I have lived in Myrtle Beach for three years but come from a background of 16 years of municipal service. I managed a First Class Township of 25,000 residents in Pennsylvania and later was the Planning, Wastewater and Fire Safety Commissioner.

I have authored Comprehensive Plans, Subdivision and Zoning Ordinances; have sat on a Planning Commission; have critically reviewed countless development plans; have inter-related with staff, elected officials, developers and the public routinely.

If you believe, also having reviewed my resume, that I could assist the City in any way, particularly as a member of your Planning Commission, I would gladly meet with you at your earliest convenience. I truly believe that I have the background and ability to be a new set of eyes and a productive asset to the Commission; I am very anxious to assist.

Sincerely,

John E. Bradley, Jr.

REF: Planning Committee Appointment

September 8, 2018

Dear Council Members:

I would like to express my interest in being appointed to the City of Myrtle Beach Planning Committee. I am a 22 year real estate and construction veteran. I am currently employed by Beazer Homes and hold their Broker In Charge license. My wife and I also own a small retail chain, The Olive Shoppe, which has locations in The Market Common, Barefoot Landing and The Cotton Exchange in Wilmington. During my career I have held many positions which I feel would be helpful in this role. Some positions were as an owner or employee of a company and some were as a volunteer. I have helped to plan and implement the beginning of many successful projects throughout the Carolinas. Several to mention are the relocation of Daimler/Chrysler to Gaffney, SC and the Highway 52 corridor in Albemarle, NC. I have also sat on many different boards, charity and civic throughout my business leadership career. I love to give back to the communities that have helped me become who I am today and I would welcome the opportunity to serve in this capacity. My wife, Darya, and I reside in Murrells Inlet with our three daughters, Sydney-19, Savannah-16 and Salym-9.

Thank you for your consideration. I can be reached directly at (843)446-3704 or [johnsuddreth3@gmail.com](mailto:johnsuddreth3@gmail.com).

Sincerely, I remain.
