Honorable Mayor and Arts Council

I am writing this letter to inquire about possible spots open on the cultural arts committee. As you know I have lived here my entire life and have always been involved in the arts. In the past I have served on this committee as we raised money with the carousel horses. I have also encouraged my colleagues from Coastal to serve on this committee and now I feel compelled to serve on this committee once again. I would appreciate the opportunity to make a contribution in finally seeing the arts come alive in Myrtle Beach.

Thank you for your consideration,
