March 1, 2021

To: Mayor and Council Members

My name is Michael Hussey. If there is a vacancy on the Beach Advisory Committee, I would like to submit this application to serve. As a City whose primary industry is tourism, I consider the beach our greatest asset. It should be maintained to the highest of standards. It should be available and accessible to all people: locals who live here, those in the surrounding area who are day trippers, and all those who come to spend nights in our various accommodations.

As our population and tourism numbers continue to increase, we need to be proactive in our thinking on how to handle these numbers. These discussions would be an interest to me if this is a charge of the Beach Advisory Committee.

Thank you for your service to Myrtle Beach and considering me for this committee.

Respectfully,

Michael Hussey

Michael A. Hussey

Myrtle Beach SC 28577

CAUTION: This email originated from outside your organization. Exercise caution when opening unsolicited attachments or clicking links. Please forward suspicious mail to spam@cityofmyrtlebeach.com for review.

Please let me introduce myself. Jim (James) DeFeo. I live in the Prestwick community and have lived along the Grand Strand since 1986.

I come from New Jersey where I was a beach lifeguard in Wildwood Crest in the early 70's. This beach patrol to date has not allowed a beach drowning during lifeguard protected hours in over 65 years. Not a single drowning. As an assistant Lieutenant on the beach patrol, I was privileged with the science and mechanics that helps keep that streak alive today.

Also, we partnered information and training with the Cape May Beach Patrol, the neighboring city in South Jersey. This beach patrol has not allowed a beach drowning in 104 years. I believe I can be an asset to the Beach Advisory Committee and would like to join. Please let me know when your next scheduled meeting is.

Thanks

Jim DeFeo
